Note

1 : Basis of Presentation

We prepared our interim Consolidated Condensed Financial Statements that accompany these notes in conformity with US GAAP, consistent in all material respects with those applied in our 2024 Form 10-K.

We have made estimates and judgments affecting the amounts reported in our Consolidated Condensed Financial Statements and the accompanying notes. The actual results that we experience may differ materially from our estimates. The interim financial information is unaudited, and reflects all normal adjustments that are, in our opinion, necessary to provide a fair statement of results for the interim periods presented. This report should be read in conjunction with our 2024 Form 10-K where we include additional information on our critical accounting estimates, policies, and the methods and assumptions used in our estimates.

We made certain reclassifications within our Consolidated Condensed Financial Statements, and, in certain cases, adjusted prior periods to conform to the current period presentation. These reclassifications had no impact on previously reported net income (loss), cash flows, or stockholders' equity.
