[Segment Reporting, CODM, Profit \(Loss\) Measure, How Used, Description](#)

The CODM uses operating income to allocate resources during our annual planning process and throughout the year, as well as to assess the performance of our segments, primarily by monitoring actual results compared to prior periods and expected results.

[Sales to an individual customer](#)

No sales to an individual customer or country other than the United States accounted for more than 10% of revenue for fiscal years 2025, 2024, or 2023.
