**1. BASIS OF PRESENTATION, RECENT ACCOUNTING  
PRONOUNCEMENTS AND OTHER**

**Basis of Presentation**

We have prepared the condensed consolidated financial statements included herein pursuant to the rules and regulations of the U.S. Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with U.S. generally accepted accounting principles (GAAP) have been condensed or omitted pursuant to such rules and regulations. However, we believe that the disclosures herein are adequate to ensure the information presented is not misleading. These unaudited condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and the notes thereto included in our Annual Report on Form 10-K for the fiscal year ended May 31, 2023.

[BASIS OF  
PRESENTATION, RECENT  
ACCOUNTING  
PRONOUNCEMENTS AND  
OTHER](#)

We believe that all necessary adjustments, which consisted only of normal recurring items, have been included in the accompanying financial statements to present fairly the results of the interim periods. The results of operations for the interim periods presented are not necessarily indicative of the operating results to be expected for any subsequent interim period or for the fiscal year ending May 31, 2024.

During the first quarter of fiscal 2024, we finalized our adoption of Accounting Standards Update 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* and subsequent amendments to the initial guidance (collectively, Topic 848), which had no material impact to our current or historical condensed consolidated financial statements. There have been no changes to our significant accounting policies as disclosed in our Annual Report on Form 10-K for the fiscal year ended May 31, 2023 that had a significant impact on our condensed consolidated financial statements or notes thereto as of and for the six months ended November 30, 2023.

**Cash, Cash Equivalents and Restricted Cash**

Restricted cash that was included within cash and cash equivalents as presented within our condensed consolidated balance sheets as of November 30, 2023 and May 31, 2023 and our condensed consolidated statements of cash flows for the six months ended November 30, 2023 and 2022 was immaterial.

#### **Remaining Performance Obligations from Contracts with Customers**

Trade receivables, net of allowance for credit losses, and deferred revenues are reported net of related uncollected deferred revenues in our condensed consolidated balance sheets as of November 30, 2023 and May 31, 2023. The revenues recognized during the six months ended November 30, 2023 and 2022, respectively, that were included in the opening deferred revenues balances as of May 31, 2023 and 2022, respectively, were approximately \$6.8 billion and \$6.2 billion, respectively. Revenues recognized from performance obligations satisfied in prior periods and impairment losses recognized on our receivables were immaterial in each of the three and six months ended November 30, 2023 and 2022, respectively.

Remaining performance obligations, as defined in Note 1 of Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended May 31, 2023, were \$65.5 billion as of November 30, 2023, approximately 48% of which we expect to recognize as revenues over the next twelve months, 35% over the subsequent month 13 to month 36 and the remainder thereafter.

#### **Sales of Financing Receivables**

We offer certain of our customers the option to acquire certain of our cloud and license, hardware and services offerings through separate long-term payment contracts. We generally sell these contracts that we have financed for our customers on a non-recourse basis to financial institutions within 90 days of the contracts' dates of execution. We record the transfers of amounts due from customers to financial institutions as sales of financing receivables

because we are considered to have surrendered control of these financing receivables. Financing receivables sold to financial institutions were \$255 million and \$816 million for the three and six months ended November 30, 2023, respectively, and \$265 million and \$1.2 billion for the three and six months ended November 30, 2022, respectively.

#### **Non-Marketable Investments**

Our non-marketable debt investments and equity securities and related instruments totaled \$1.8

billion and \$1.6 billion as of November 30, 2023 and May 31, 2023, respectively, and are included in other non-current assets in the accompanying condensed consolidated balance sheets and are subject to periodic impairment reviews. Certain of these non-marketable equity securities and related instruments are adjusted for observable price changes from orderly transactions. The majority of the non-marketable investments held as of these dates were with a related party entity for which we follow the equity method of accounting. We are also a counterparty to certain options to acquire additional equity interests in that entity at various times through June 2025 and we could obtain control of that entity should such options be exercised.

### Acquisition Related and Other Expenses

Acquisition related and other expenses primarily consist of personnel related costs for transitional and certain other employees, certain business combination adjustments, including adjustments after the measurement period has ended, and certain other operating items, net.

### Non-Operating Expenses, net

Non-operating expenses, net consists primarily of interest income, net foreign currency exchange losses, the noncontrolling interests in the net profits of our majority-owned subsidiaries (primarily Oracle Financial Services Software Limited and Oracle Corporation Japan), net losses related to equity investments, including losses attributable to equity method investments and net other income and expenses, including net unrealized gains and losses from our investment portfolio related to our deferred compensation plan and non-service net periodic pension income and losses.

### Recent Accounting Pronouncements

**Segment Reporting:** In November 2023, the Financial Accounting Standards Board (FASB) issued ASU 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures* (ASU 2023-07), which enhances the disclosures required for operating segments in our annual and interim consolidated financial statements. ASU 2023-07 is effective for us for our annual reporting for fiscal 2025 and for interim period reporting beginning in fiscal 2026 on a retrospective basis. Early adoption is permitted. We are currently evaluating the impact of our pending adoption of ASU 2023-07 on our consolidated financial statements.
