2. ACQUISITIONS

Acquisition of Cerner Corporation

On December 20, 2021, we entered into an Agreement and Plan of Merger (Merger Agreement) with Cerner Corporation (Cerner), a provider of digital information systems used within hospitals and health systems that are designed to enable medical professionals to deliver better healthcare to individual patients and communities.

On January 19, 2022, pursuant to the Merger Agreement, we commenced a tender offer to purchase all of the issued and outstanding shares of common stock of Cerner at a purchase price of \$95.00 per share, net to the seller in cash, without interest thereon, based upon the terms and subject to the conditions set forth in the Offer to Purchase dated January 19, 2022, and the related Letter of Transmittal.

On June 8, 2022, pursuant to the terms of the tender offer and applicable Delaware law, we acquired all the outstanding Cerner shares and effectuated the merger of Cerner with and into a wholly-owned subsidiary of Oracle and Cerner became an indirect, wholly-owned subsidiary of Oracle. Vested equity awards outstanding immediately prior to the consummation of the merger were cancelled in exchange for the right to receive an amount in cash based on a formula contained in the Merger Agreement. The unvested equity awards to acquire Cerner common stock that were outstanding immediately prior to the conclusion of the merger were converted into equity awards denominated in shares of Oracle common stock based on formulas contained in the Merger Agreement. We will include the financial results of Cerner in our consolidated financial statements from the date of acquisition.

The total preliminary purchase price for Cerner is approximately \$28.2 billion, which consisted of approximately \$28.2 billion in cash and \$43 million for the fair values of restricted stock-based awards and stock options assumed. In connection with the acquisition of Cerner, we assumed \$1.6 billion of senior notes and other borrowings, of which \$1.5 billion were paid on June 8, 2022.

Other Fiscal 2022, 2021 and 2020 Acquisitions

During fiscal 2022, 2021 and 2020, we acquired certain other companies and purchased certain technology and development assets primarily to expand our products and services offerings. These acquisitions were not significant individually or
